With the VSP Laser VisionCare<sup>SM</sup> Program, you'll enjoy a safe and successful path to better vision. In addition to fully covered visits to your VSP<sup>®</sup> network doctor before and after your procedure, you'll get special pricing on services from a VSP-contracted laser vision center.

## Enjoy Discounted Pricing<sup>1</sup>

VSP offers special pricing with participating centers, which means up to hundreds of dollars in savings for you.

## Using Your Benefit is Easy

- Visit **vsp.com** to learn what to expect during your procedure. If you don't have a provider yet, you can also find a VSP Laser VisionCare network doctor and confirm your eligibility.
- Make an appointment with a participating VSP network laser vision doctor to schedule a complimentary screening. If you're a candidate for laser surgery, your doctor will provide pre-operative care, coordinate your procedure with a VSP-contracted laser vision center, and co-manage your treatment plan.<sup>2</sup>
- After your procedure, be sure to return to your VSP network laser vision doctor for post-operative care and ongoing management of the health of your eyes and vision. You may be able to use your VSP frame benefit for non-prescription sunglasses to protect your eyes from the sun. Ask your doctor for details.
